### AVIENT SOLUTION

reSound™ R PC Recycled Material

### WHY AVIENT?

- Customized a post-consumer recycle (PCR) grade formulated with 30% recycled content that delivered similar performance to a prime PC grade
- Achieved high yield rate through strict quality control over recycled products
- Offered RoHS and REACH compliant solution to support applications with regulatory requirements

### LEARN MORE

### KEY REQUIREMENTS

- Post-consumer recycled material to reduce carbon footprint
- Maintain high transparent color even after using recycled PC
- Stable color range and strict black spot control
